

KPS Youth Forum III Notes: Sunday 17th January 2010

Basic introduction into the structure of the Youth Committee and letting you know that we have set up the groups and we tried to give everyone at least their second choice.

Groups

- Each group was given 15/20 minutes to discuss their ideas and get to know each other.
- As we were not able to hear from each group, we would like someone from each group (a project manager or just an individual) to report back to us by email detailing their discussions and mainly what their ideas are, whether anything has been done already and what they need in terms of time, money, people etc. **Please email us with this information by the 20th February.**
- The social programmes group came up with 2 ideas.
 - To have a party organised by the youth committee: a themed event such as a 70's/ABBA/Bollywood night. No details have been set in stone but it is an idea that was put to the forum, but we would like to hear from everyone. The reason for having this party is to make a statement that the youth committee is here and were not just about having meetings but we are doing things and we want to start of with a bang. It is also a chance to get everyone out of the winter doldrums, to socialise and mainly to have some fun.
 - Collaboration with the Community Development Sub-committee in organising the Diwali function this year. We want the Diwali function to be different, no more bingo and more emphasis on the celebration of Diwali e.g. Fireworks, Huge Rangolis, Chill Out tents etc. Basically something altogether different and by collaborating we can make people aware that we are here.

Other matters

- Anand Vyas from National Sewa Day Project came to talk to us. Its premise is that on the 21st November 2010 and thereafter annually people take part in a Sewa activity. He would like to work with the youth committee and if we are interested then he would like one person to act as a co-ordinator for National Sewa Day. If you are interested please contact us and we will give you more information and contact details for Anand. For more information see www.nationalsewaday.org
- It was agreed that Sunday evenings is not a good time for holding youth forums and any future forum should be held on either Saturday evenings or Sunday afternoons. We will be doing a poll to find out which day and time is preferred.
- We are looking for individuals who would like to perform a dance at the cultural variety show on April 18th. We are looking for both men and women to perform 2 dances. The dance will be taught by Honey Kalaria and may include a bhangra dance. For more information please contact Toral Changela on toralchangela@hotmail.com
- If there is anyone who knows someone who is deserving of an Academic Award please contact Chandubhai Makadia on kruviro@hotmail.com by the 31st March 2009.

If you have any questions regarding this meeting or anything KPS Youth related please do not hesitate to contact us on kpsyouth@kpsuk.org.

Regards

KPS Youth Committee
