Subject: DIWALI FUNCTION 2011

Hi Nitinbhai

Hope you are fine and well, and hope you have recovered from Sunday.

I just really wanted to say congratulations on organising a successful and enjoyable diwali function last Sunday. Unfortunately we could not stay and watch the fireworks as the kids were getting restless and were very tired, I am sure that would have been a big success as well.

A lot of work and effort must have gone into this, and I just hope that the samaj appreciate how hard you have worked together with Manojbhai and Chandubhai. I myself for one admit that I didn't fully appreciate the events in the past and usually turned up on the day, however after seeing you and your team on Saturday and also the outcome of Sunday, I really have to sit back and admire you all. The event in my opinion was well organised, an excellent line up of events, exceptional catering and a well spoken compere.

It was just a pity that some of the members couldn't maintain silence and respect for the participants on stage.

I can't wait for next year, the team seem to be going in the right direction, and looks like we are getting that community spirit back again which has been lacking for quite a few years. I would like to offer my services for next year for the function, and would like to be involved in any way I can, and I am sure that other members of the family will volunteer there time where possible.

Once again I would like to thank you for a great event. May god give you blessings to carry on with your work.

Kind regards
